Come celebrate with us!

The Placer Conservator event has a new look this year! We're looking forward to **Conservation Celebration Week**, a series of fresh and fun outdoor events highlighting land conservation in Placer County and celebrating the community that makes our work possible!

During the week of **October 17-23**, we will shine a spotlight on the value of permanently protected lands with a reception at The Ridge Golf Course and Events Center honoring Placer Conservator awardee **Paul Aronowitz**, an Oktoberfest-themed night out in Rocklin, and a family-friendly event on a Placer Land Trust preserve. There will be something for everyone! We'll also be featuring our week-long online auction, where you can win vacation stays, one-of-a-kind experiences, beautiful local art, and more.

Visit placerlandtrust.org/conservation-week to learn more and get your tickets!

Thanks to these major sponsors, and to the many more who make this event possible...
