

ULI Sacramento Webinar: COVID-19's Impact on the Real Estate Market The View from Sacramento

Tuesday, May 12 | 4:00-5:15 pm

For over 80 years, ULI members have helped each other through numerous economic cycles by sharing best practices, expertise and lessons learned. Join us for a discussion with our panelists as they share insights on the near and long-term impacts to the changing real estate market conditions related to COVID-19. **Come with your questions for this interactive session!**
